

TM-PA020 C ID P

Tymin Slim Line Phone TM-PA020

TM-PA020 is a slim line phone with a C ID P feature. It is designed for use in environments where space is limited and a clear, concise display is required. The phone is compact and lightweight, making it easy to handle and transport. It features a single-line display and a speaker for clear communication. The C ID P feature allows for easy identification of incoming calls, which is particularly useful in busy environments. The phone is compatible with standard telephone lines and can be used in both office and home settings. Its sleek design and functional features make it a practical choice for anyone looking for a reliable and space-saving communication device.
